

BOXING / MARTIAL ARTS

ALIKE *Sports*
Since 1994.

INTRODUCTION

We would like to take this opportunity to introduce our Pakistan (Sialkot) based company, Alike Sports since 1994. We are involved in the production of all Footballs, Martial Art Equipment's and other sports accessories for the past eighteen years satisfying many reputable russian, European and north american companies.

Along with this we also specialize in custom made sports products fulfilling any specific requirement in regard to design, logo, material etc to match our customers demand at reasonable and competitive prices.

Our company acquired the reputation of producing outstanding quality products matching international standards at extremely competitive prices with the assistance of highly equipped unit and qualified staff members which has been authenticated by ISO 9002 and CE certification.

For further information and visual examination concerning our company and products you may visit our website at your convenience.

We anxiously await your subsequent response and will be highly obliged to address any queries from your side at our earliest in order to encourage future business relations for mutual benefit.
